

Paramount School of Excellence  
School Texting Service

## School Notifications via Text

*Introducing a texting service to support school/family communication at PSOE*

Paramount School of Excellence is now using a texting service, which will provide a direct line of communication from school to family members.

Those signing up for the High Priority School Notification texts will receive important information for the whole school in the form of SMS text messages to your phone. High Priority Information includes such notifications as – Snow Days, School Delays due to weather, Early Dismissal Reminders and Crisis Information.

Standard messaging rates apply. This service works with all cell phones, not just smart phones.

To sign up for High Priority School Notification  
Texts, simply text:  
@psoe to  
(484) 577-2341

You will receive confirmation (in the form of a text) that you are signed up.

Some individual class and specials teachers are also beginning to use this service and send class notices via text. There will be a continuously updated list of teachers using the service, and their sign up information on the school website and at the front desk.
